- (a) Teams played a single round robin season. Then teams were split into an upper and lower division (indicated by thick line) and played a straight four team meet for the top four teams and a round robin for the lower three (2 games each). Record was then a combination of the six conference games and the two tournament games.
- (b) Teams played a single round robin season. Then teams were split into an upper and lower division (indicated by thick line) and played another round robin against the other three teams in their division. Standings are then based on total games. No team from the lower division would surpass a team from the upper division.
- (c) Need to find results between Menomonie and Rice Lake for their two regular season games as well as their tournament game.
