

## BIG RIVERS CONFERENCE WRESTLING ALL-CONFERENCE TEAMS

Since 2001-02, the Big Rivers Conference eliminated the conference tournament to name champions at each weight class. A fourteen member All-Conference team is selected by the coaches regardless of weight class. A 14-member second team is also picked. In this document, those teams are shown. Later, starting in 2000-01, conference champions are listed.
